

Castle Walls

Styx

Once in a dream far beyond these castle walls
Down near the bay where the moonlit water falls
I stood alone while the minstrel sang his song
 So afraid I'd lost my soul
There in the fog his song kept calling me
Leading me on with its haunting melody
Deep in my heart a voice kept echoing
 I knew I'd soon be wandering
 Far beyond these castle walls
Where the distant harbor meets the sky
 There the battle raged like hell
And every dove that lost its will to fly
 Far beyond these castle walls
 Where I thought I heard Tiresias say
 "Life is never what it seems
And every man must meet his destiny"
