

Your Love Is A Miracle

Mark Chesnutt

Out on the highway
A lot of pretty girls go by
But none have been right
Up until today I would never settle down
But you keep coming around And your love is a miracle, it's spiritual
Got here just in time
Your love is a miracle, it's visible
Even to a heart that's blind like mine Out in the wild life
A lot of people telling lies
Lookin' right in your eyes
And up until tonight
I was always on the prowl
But now I'm settlin' down 'Cause your love is a miracle, it's spiritual
Stands the test of time
Your love is a miracle, it's visible
Even to a heart that's blind like mine Anyone can see
What you're doing to me
And everyone can see
That you're everything I need 'Cause your love is a miracle, it's spiritual
Got here just in time
Your love is a miracle, it's visible
Even to a heart that's blind like mine
