## NRBQ

Me And The Boys

Just a bunch of guys gettin' in the cardon't matter who's drivin' or for how far

Feels so good feels so alive

No backseat driver tellin' us how to drivechoru: s

Me and the Boys

Just me and the Boys

Me and the Boys

Me and the Boys

Me and my buddy just like to go

We'll have fun ev'rybody knows

We donÂ't fuss and we never fight

We just groove takin' in the siteschorusdon't ask questions 'bout how it's done

We're just messin' 'round havin' fun

Car gears shiftin' well up and down

Mufflers a little loud but we love the soundchorus

It ain't like us to hang around

This town is square and just bringin' us down

I've got to find us something newdon't wanna think about what do they knowchorus

Distance no problem and we don't care

Cause where ever we're goin' we'll soon get there

Chorus
