## **Cuts**

## **Guano Apes**

It's a tied rope your Life lives someone else I've found the mood break to another world I got to tell them I was the one before and it's not my fault I'm what you adoreTake my flesh I am real what you gonna do if I let you feelCuts I'm not a maniac cuts I'm not a maniacThe time is up fighting against the miserables when I step into your room I know what's on your mind so shut your mouth I was the one before I cut your tongue I'm what you ignoreIt is true I'm healed so what you gonna do if I let you feelMy cuts I'm not a maniac

cuts

I'm not a maniacSay it I know you can't follow cause I'm to fast

say it

I know you can't Lay with meCuts I'm not a maniac

cuts

I'm not a maniacSay it, Say it again
