

# Glory To the Lord (feat. Maranda C. Willis)

## Javis Mays

Javis

The glory of the Lord  
Is rising in this place  
Can't you feel his presence  
His power and his grace  
Open up the heavens  
As we call upon your name  
Release our destiny  
We ll never be the same.

We worship and we praise  
As we call upon your name

And we'll never be the same.(2ce)
