

# Wild Kinda Love

Samantha Fox

(m. shreeve/o. van geldern)It takes a wild kinda love  
Wild kinda loveWell I'm not the kind of girl who  
Wants roses & bottles of perfume  
I just want to live fast & feel good  
Have fun & do things like the boys do  
I don't need this "old time romancing"  
I need a wild kinda love(feel my heartbeat pumping out loud)  
It takes a wild kinda love  
(I need a lover, you're the best that I've found)  
Life sure is rough  
(com'on boys, stop messin' around)  
But when a push comes to shove  
(you drive me crazy but)  
A kiss ain't enough  
I need a wild kind of loveThey say sit tight & wait for love  
Ok well that's all right for just someone  
But me, well I can only take so much  
I've gotta get out & grab me some fun yeah  
I'm gonna take a quick trip to heaven  
I'm gonna make a wild kinda loveI'm gonna break the rules that the boys all play by  
So now you understand yeah  
I'm free to choose & I just chose you boy  
So take it like a man yeah  
A kiss ain't enough  
I need a wild kinda loveNot all young things taste this good  
You better take while the take is good  
It's not a question of if or maybe  
It's just a matter of how you gonna take me  
I'm gonna take a quick trip to heaven  
Now I'm ready to make  
A wild kinda love
