

Live & Let Die

Frank Turner

When you were young and your heart was an open book
You used to say live and let live
(you know you did, you know you did you know you did)
But if this ever changing world in which we're living
Makes you give in and cry Say live and let die
Live and let die
Live and let die
Live and let die...

What does it matter to you
When you got a job to do
You gotta do it well
You gotta give the other fellow hell You used to say live and let live
(you know you did, you know you did you know you did)
But if this ever changing world in which we're living
Makes you give in and cry
Say live and let die
Live and let die
Live and let die
Live and let die...
