

Seventeen

Ladytron

They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on

They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun
They take a polaroid and let you go
Say they'll let you know, so come on
They only want you when you're seventeen
When you're twenty-one, you're no fun

They take a polaroid and let you go
Say they'll let you know, so come on
They take a polaroid and let you go
Say they'll let you know, so come on
They take a polaroid and let you go
Say they'll let you know, so come on
They take a polaroid and let you go
Say they'll let you know, so come on
They take a polaroid and let you go
