

# Ha Shem Has Given

## Shakhan

Totally spinning but Im standing still.

I am drugged by love yet Ive taken no pill.

I am hungry yet my eyes have had a feast how can this

happen beauty has fallen in love with the beast.Elegant lovely like a dandelion pretty one yes a daughter of Zion.

I did not seek her love work for it or toil. How can

this happen Venus has come down to my patch of soil.I bind her with love and in circle her with many a kiss.

Yet her love is wide boundless.Smothered with pleasure yet we commit no sin.

I say baruch Ha Shem to the G-d above.

How can this happen he gave her this woman for me to love.
