

Where Are You Now

Britney Spears

Calling out your name
Your face is everywhere
I'm reaching out to you
To find that you're not there I wake up every night
To see the state I'm in
It's like an endless fight
I never seem to win I can't go on
As long as I believe
Can't let go
When I keep wondering Where are you now?
What have you found?
Where is your heart
When I'm not around?
Where are you now?
You gotta let me know
Oh baby, so I can let you go I can hear your voice
The ring of yesterday
It seems so close to me
But yet so far away I should let it out
To save what's left of me
And close the doors of doubt
Revive my dignity But I can't go on
As long as I believe
Can't let go
While I keep wondering Where are you now?
What have you found?
Where is your heart
When I'm not around?
Tell me where are you now?
You gotta let me know
Oh baby, so I can let you go I should let it out
It's time to let you go
Oh baby, I just wanna know Where are you now?
What have you found?
Where is your heart
When I'm not around?
Where are you now?
You gotta let me know
Oh baby, so I can let you go Where are you now?

What have you found?
Where is your heart
When I'm not around?
Where are you now?
You gotta let me know
Oh baby, so I can let you go
