Only This Moment

RÃ¶yksopp

Only this moment
Holds us together
Close to perfection
Nothing else out there
No one to guide us
Lost in our senses
Deep down inside I know our love will die

Only this moment
Holds us together
Lost in confusion
Feelings are out there
Scared of devotion
Doubting intentions
Deep down inside I know our love will die

Stay or forever go
Play or you'll never know
What heaven decided
You can't deny it's
All you've been waiting for

Stay or forever go
Play or you'll never know
Your spirit's divided
You will decide if I'm
All you've been waiting for

Clouds in my head have been parted with grace
By the voices of an angel revealing her face
And her words they make sense 'n' I do understand
Falling in love isn't part of a plan

Forces within me mix reason with lust, but
I'll try to accept it and not make it worse
'cause I know I might loose it by taking the chance,
(But) love without pain isn't really romance

Only this moment
Holds us together

Close to perfection
Nothing else out there
Always beside her
Trusting my senses
Deep down inside I know love will survive

Only this moment
Holds us together
Close to the other
Nothing else out there
Always beside her
Trusting my senses
Deep down inside I know love will survive
