

# System

## Bananarama

You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain There's no use in  
Trying to hide from me  
But ain't no stopping me now  
I'm gonna fly so free The shadows on the wall  
They disappear  
I'm thinking of you now  
I want you here You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain What's the use in  
Trying to run away?  
I can't stop thinking about you  
Everyday I listen to the pain  
Still falling down  
I wanna be with you  
You're not around You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain The shadows on the wall  
They disappear  
I'm thinking of you now  
I want you here You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain You're in my system  
In my blood, in my veins  
You're in my system  
You're my joy, you're my pain
