

# War Is Peace

## Propagandhi

Four more years of War is Peace, Ignorance is Stenght and Slavery is Freedom.

Four more. May all your interventions be "Humanitarian".

Four more years of pay-to-play politics, power and influence.

Four more years of legalized bribery and served corporate interests. Vote for tweedle-dum or tweedle-dee

And a framework of debate narrowed for you courtesy

Of the ultra-rich and a media that filters

But any voice that challenges their power

(like Nader bounced in Boston by state-troppers

Cos he don't speak for oil-xycoons and bankers, oh yeah

Whose pursuit of happiness and liberty

Demands a rhetoric of fear to be

The litmus test for viable heirs to

The phony drug-wars, the trumped-up rogue-states, the permance of a war-economy). I feel less hopeful and less human

As I'm reduced to nothing more than

Cheering on embassy bombings

As the liars pave their way through Four more years of War is Peace, Ignorance is Stenght and Slavery is Freedom.

Four more. May all your interventions be "Humanitarian".

Four more years of pay-to-play politics, power and influence.

Four more years of legalized bribery and served corporate interests. Song evaluation
