

# Skeleton Dance

[Aidan Baker](#)

On a journey ill, my mind floats astray  
Over withered fields, I cross the river  
This shortness of breath between birth and grave  
Fading in the distance, I am nothing Watch the skeleton dance, dancing on my grave  
My frozen hour of death Here I am alone, casting my own shadows  
Traversing the mundane, desperate cry  
Boundless darkness, a voiceless fear  
Unheard, unseen, it is coming near Watch the skeleton dance, dancing on my grave  
My frozen hour of death, watch the skeleton dance  
Here I am, alone Had I not known that I was dead  
I would have mourned my loss of life, loss of life  
Between birth and grave, here I am alone
