

Little Tornado

[Aimee Mann](#)

Little tornado
Bane of the trailer park
Lifting houses to leave your mark Little tornado
Noah can build his ark
But he will never disembark Make it go faster
Baby go faster
Make it go twice the speed of you and me Litter tornado
You and the hurricane
Close your eyes and go campaign Make it go faster
Baby go faster
Make it go twice the speed of you and me Oh, no, no we don't
No we don't know Little tornado blew out the window pane
Left the inside to the rain
