Whatever I Want

Colleen Green

I got a mind of my own
And I know it's a good one
So I don't take advice from fools
I get around in my town
I go wherever I want
Got a reason for all that I do
Don't wanna be scared
I've gotta see what's out there
Lately I've become aware
That I can do whatever I want
Whatever I want ooohh
I can do whatever I want
Whatever I want ooohh
I can do whatever I want
Whatever I want ooohh
I can do whatever I want
Whatever I want ooohh
There were times when I
Didn't know if I could do it
Didn't know if I could do it alone
But then my eyes opened up
And now I see no limit
The world I live in's a design of my own
Don't have to be scared no more
I see no reason to conform
Now more than ever before
I can do whatever I want
Whatever I want ooooohh
I can do whatever I want
Whatever I want oooohh
I can do whatever I want
Whatever I want ooohh
I can do whatever I want
Whatever I want ooohh
Whatever I want
Whatever I want
Whatever I want
Whatever I want
