Now that ive defined what i claim as mine/
Ima snatch the beat back and chew it up another time/
Wringin out these rappers/
Is exactly how im snappin/
Tearin up the track/
You level one tricks are just a snack/

poppin it off eminem and nas
like a bomb and clock and its bout to go off
you ran outta luck yea now im hot
dont give a fuck cuz i ran out of stock
so drop your atomic out the bottom of pocket
punch your lights out like i just broke a socket
got a heart of steel like its sometype of locket
hit them harder than mister griffen when he's blockin

aye yo i stack it like a lattice
and im steppin on these ladder
counting all this lettuce
gettin chased by the feds
ands ya party crackalackin
got em wavin front to back
when they get me on the track
feels like your ears are gettin head

AND I AINT CHECKIN
WHERE IM STEPPIN
EVEN IN THE WRONG DIRECTION
CUZ I RECKON THAT ILL WRECK YA IN A SCORCHIN GEORGIA SECOND
AND IF I COME UP MISSIN
KNOW IM DISSIN
ALL MY COMPETITION
OFF THE WALLS SO YALL WILL LISTEN
TRYINA GET THESE TRICKS ATTENTION
AND THE FANS GUNNA BE ALL LIKE OH WOW OH GEE
I CANT BELIEVE CHIP JUST ICED ANOTHER MC

THEY TELLIN ME TO CALL IT OFF
I GOT EM STUCK LIKE STONE THEY SHOCKED
ROCKIN WHILE IM STOMPIN CLOCKS
HOPEING MAYBE TIME WILL STOP

but it just keeps going past
the studio been cracked in half
get my sword and all my staff
we sayin that you shall not pass
while im vexin all these vixens
flip the script and try and fix it
and im fryin up these chickens
like th colonel in the kitchen

flowin like im blowin up a dam
i dont give a dam
if you dont know who i am
so openup a can
of whoopass on that ass
and turn u into food that feeds the grass
cuz you screwin up the picture like you blinkin when the camera flash
pass along this joint cuz im the one that guards the points
try and deney my claim but there really is no choice
cuz im bringin in these bills so i can just maintain
but yall are mario, chasin coins like you need the pocket change

CUZ ALL YOU GOT IS CONNECTIONS
AND I RECKON THAT ILL WRECK YA IN A SCORCHIN GEORGIA SECOND SON
WONT STOP THE ROAST TILL YOUR COOKED TO PERFECTION
CANT EVEN KEEP YOUR MUSIC GOIN ONE DIRECTION
YOU BETTER STRAT RUNNING
IM ALREADY COMING
FOR YOUR SPOT
YOUR GIRL
LABEL
FAME

CUZ I AINT CHECKIN
WHERE IM STEPPIN
EVEN IN THE WRONG DIRECTION
