

She Knows What She Wants

Dizzee Rascal

She don't wanna play no games with me
'Cause she knows what she wants She knows what she wants (yep)
She knows what she wants (aha)
She knows what she wants (she knows)
She knows what she wants (she knows)
She don't beg no pardon and she don't beg no response (no)
She don't beg no pardon and she don't beg no response (response)
She knows what she wants (ya)
She knows what she wants (she knows)
She knows what she wants (she knows)
She knows what she wants (wouh)
She don't beg no pardon and she don't beg no response (no)
She don't beg no pardon and she don't beg no response (response)
She knows what she wants (ya)
She don't want a nonce (no)
Play her own way
She is not a ponce
Looking nonchalant
Looking confident, I wanna be her confident
With a big badonk-a-donk
The ba-donkas looking tonk
I'll give her the wonky bony
But not before I take her to a boujee restautant
Yeah, a boujee restautant
With the fancy condiments
And get her what she wants
'Cause she knows what she wants
She wants a fansy fella with the manners and the charm (hm)
She wants a fansy fella in the new designer garms (hm)
She wants a fansy fella that will be boppin' arm-in-arm
Be her knight in shining armour and she'll never come to harm
He'll have a private jet and take her shopping in Milan
Or fly her to Dubai and have her staying at the palm
She wants a fansy fella, who's a gentleman and calm
But I'm not a fansy fella, so I'll tell her wagan
She said she knows what she wants (yep)
She knows what she wants (aha)
She knows what she wants (she knows)
She knows what she wants (she knows)

She don't beg no pardon and she don't beg no response (no)
 She don't beg no pardon and she don't beg no response (response)
 She knows what she wants (ya)
 She knows what she wants (she knows)
 She knows what she wants (she knows)
 She knows what she wants (wouh)
 She don't beg no pardon and she don't beg no response (no)
 She don't beg no pardon and she don't beg no response (response)She knows where it's at brought the t-shirt
 and the hat
 She don't chat a lot of crap (crap), always snapping on the app
 Got me shacking in the flat (flat)
 She ain't lackin' in the back (back)
 Keeps the kitty cat intact
 Yeah, the kitty cat's a rap
 I can rap about her baps or I can rap about the way she tries to hit me with the facts
 Trying to hit me with the stacks
 Trying to hit it, then relax
 Take a cheeky little nap
 I'm a cheeky chap, but if I ever cheat I'll get a slap (wouh)
 She wants a fansy fella who is loyal and is true (true)
 Who takes her out for strolls and can forget about the crew
 She wants a fansy fella that her parents can approve
 And can make a brave suggestion when she don't know what to do
 She wants a fansy fella that will treat her like a boo
 And not treat her like a bird, 'cause she had a cock-or-too (ah)
 She wants a fansy fella that will properly pursue
 But my name is Dizzee Pascal and I'm just passing through(She said)
 She knows what she wants (yep)
 She knows what she wants (aha)
 She knows what she wants (she knows)
 She knows what she wants (she knows)
 She don't beg no pardon and she don't beg no response (no)
 She don't beg no pardon and she don't beg no response (response)
 She knows what she wants (ya)
 She knows what she wants (she knows)
 She knows what she wants (she knows)
 She knows what she wants (wouh)
 She don't beg no pardon and she don't beg no response (no)
 She don't beg no pardon and she don't beg no response (response)(Yeah, she knows what she wants)
 (She don't want a player like me)
 (Oh no, no no no)
 (She don't beg no pardon, like me)
