

I'm Crazy 'Bout My Baby

Louis Armstrong

I'm walking on air
For I left all my blue days behind
I've learned how to care
And there's love, really love on my mind I'm the world's most happy creature
Tell me what can worry be
I'm crazy 'bout my baby
Baby is crazy 'bout me Mr. Cupid was our teacher
That's the reason we agree
Yes, I'm crazy 'bout my baby
And my baby crazy 'bout me Papa, get that book out
Ready in your hand
Keep a steady look out
And you can understand
