# Fordham Road

## Lana Del Rey

Thirty blocks to Fordham Road
That's a black neighborhood
Crack house on the corner
I know I shouldn't do what isn't good
Stone Mary in the garden
She let me know she watching
She said I better get walking
I better walk away
I don't know what it is that I wanna stay
I don't know what it is that makes me feel this way
But I'm not gonna do what I hear me say
I'm just gonna walk
I'm gonna walk away
I catch a dollar in the wind
And I buy a cup of coffee
There's a place on Valentine
That still charge ninety cent

I keep on walking in the day time
And in my eyes it's always night time
And I like it when it's me at night
Cause that's when all the stars come out
I don't know what it is that I wanna stay
I don't know what it is that makes me feel this way
But I'm not gonna do what I hear me say
I'm just gonna walk
I'm gonna walk away
He's the greatest
This is the greatest day
He's the greatest
This is the greatest day
I'm not gonna do what I hear me say
I'm just gonna walk
I'm gonna walk away
