

Today Was a Fairytale

Taylor Swift

Today was a fairytale, you were the prince
I used to be a damsel in distress
You took me by the hand, and you picked me up at six
Today was a fairytale, today was a fairytaleToday was a fairytale, I wore a dress
You wore a dark gray t-shirt
You told me I was pretty when I looked like a mess
Today was a fairytaleTime slows down whenever you're around
But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing thereIt must have been the way
Today was a fairytale
It must have been the way
Today was a fairytaleToday was a fairytale
You've got a smile that takes me to another planet
Every move you make, everything you say is right
Today was a fairytaleToday was a fairytale
All that I can say is now it's getting so much clearer
Nothing made sense until the time I saw your face
Today was a fairytaleTime slows down whenever you're around
Yeah yeahBut can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing thereIt must have been the way
Today was a fairytale
It must have been the way
Today was a fairytaleTime slows down whenever you're around
I can feel my heart, it's beating in my chest
Did you feel it?
I can't put this downBut can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the wayBut can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing thereIt must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale oh oh yeaah ohhh
Today was a fairytale
