

Fragile

Kygo

Crazy to think that a man can't hurt
Love takes its toll every time it don't work, yeah
One door closes and another opens
But it's hard to let go when your heart's broken
I'll give you my trust, can you give me your word? Come take my heart of glass
And give me your love
I hope you'll still be there
To pick the pieces up
'Cause baby I'm fragile, fragile, fragile
'Cause baby I'm fragile, fragile, fragile After he left you in ten times ten
Could I put you back together again? Yeah
One door closes and another opens
But I won't let go 'cause I'm not like him
Baby just say the words, let the love begin Come take my heart of glass
And give me your love
I hope you'll still be there
To pick the pieces up
'Cause baby I'm fragile, fragile, fragile
'Cause baby I'm fragile, fragile, fragile Oh oh hey
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love Yeah, you will take yours and mine
I got your heart of glass
You've got my love
I know we'll still be there
To pick the pieces up
'Cause baby we're fragile, fragile, fragile
'Cause baby we're fragile, fragile, fragile Oh oh hey
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love
Oh oh oh oh, oh oh oh oh, say love, say love Oh yeah
Oh yeah

Oh yeah
