

# Something's Gotta Give

## OneRepublic

I-I-I, I'm sinking in  
You know that something's got to  
Something's gotta give  
And then you told yourself  
You found a modern Mona Lisa  
You gave her all your love  
You said I pray this fool could keep her  
You got no money  
It doesn't mean a thing  
You got time  
And time is everything  
Knock all night  
Stay awake  
Listening to  
Records that you like  
Now you're saying I-I-I, I'm sinking in  
You know that something's got to  
Something's gotta give, oh  
And then you showed yourself  
All the colors that you fear  
Oh oh oh oh oh oh  
It doesn't mean a thing  
You got love  
So you got everything  
Talk all night  
Stay awake  
Listening to  
Records that we like I-I-I, I'm sinking in  
You know that something's got to  
Something's gotta give  
It's gotta give  
Oh whoa oh, whoa oh  
Oh whoa oh, whoa oh  
Oh whoa oh, whoa oh  
Oh whoa oh, whoa oh  
Something's gotta give  
It's gotta give  
It's gotta give  
Oh whoa oh, whoa oh
