Dead In A Grave

Rev Theory

Heads up man, I'm a motherfucker
Holding my head high
I'm not dead in a grave
I'm a sinner, I'm a saint
In the city of hell
Hey, hey, hey
Like a Molotov cocktail
I'm ready to ignite, yeah
[Incomprehensible]I'm gonna set this city in flames
Don't give a fuck if I burn away
Just take a good look now
'Cause you might miss this
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking 'til
I'm right dead in a grave
Can't stop now, I'm a head case
Coming to get mine
I got something to say
Cold heart, vendetta
Are you ready to pay?
Hey, hey, hey
I'm a goddamn freight train
Running at midnight, yeah
So get out of the way
I'm locked and loaded
And I'm still in the game
Don't give a fuck if I burn away
Just take a good look now
'Cause you might miss this
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking 'til
I'm right dead in a grave
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking 'til
I'm right dead in a grave
I'll keep kickin' 'til
I'm right dead in a grave
Hey, hey
Hey, hey

Hey, hey
Yeah
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking
Kicking, kicking
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking 'til
I'm right dead in a grave
I'm still breathing, fuck your sympathy
Don't need it, I'll keep kicking 'til
I'm right dead in a grave
Yeah, I'm right dead in a grave
I'm right dead in a grave
Hey, hey, hey, hey
