Motherfather

Roz

Mother, Father, before I forget
Thank you for all that you have been to me
And just in case you are wonderin' I love youYeah
Oh hmm
I know that our differences caused
Us to waste so much of our time we could have used
Gettin' to know each and one another
But now that I've grown into my own
And learned some things about life
I now can see that it wasn't easy to raise someone like me, yeahMother, Father, before I forget
(Haa)
Thank you for all that you have been to me
(Yea)
And just in case you are wonderin' I love youYes I do
Na ahh, see
I remember those days when you used to sit me down
And try to school me about the plenty opportunities in life
Hopin' and wishin' and prayin' that something would stick
(Ahh)
And sometime click within this mind of mine
(Ahh, ahh)
See you used to say, if you throw enough on the wall
Somethin' is bound to rub, on
(Ahh)
And I'm here to tell you
That you don't have to really worry about me at allMother, Father, before I forget
(Yeah)
Oh, oh thank you for all that you have been to me
And just in case you are wonderin' I love you
(Oh, oh)
(Case)
I love you again, soListen now, see
There was no limit to all the things that you've done
And would have for me my sisters and brothers
And I'll never understand how you would talk all day long?
And just as you said, in one ear and out the other
Isn't it funny how things change when you get older
When you start to see the things for yourself
Yeah, now I know that I'll never find another

Love like yours inside anyone elseMother, Father, before I forget
(Oh)
Haa oh, thank you for all that you have been to me
And just in case you were wonderin' I love you
(Oh, oh)
(In case)
You, yeah, single one for meMother, Father, before I forget
(Ooh ho)
Thank you for all that you have been to me
(Sout of sound I have caused pain in your life)
And just in case you are wonderin' I love you
(I love you, yeah)Mother, Father
Thank you for every little thing that you have done for me
In my life
Lord
Lord it
Lord it
Lord it
