

# Where No One Stands Alone

[Elvis Presley](#)

Once I stood in the night with my head bowed low  
In the darkness as black as could be  
And my heart felt alone and I cried  
"Oh Lord, don't hide Your face from me" Like a king I may live in a palace so tall  
With great riches to call my own  
But I don't know a thing in this whole wide world  
That's worse than being alone Hold my hand all the way, every hour every day  
From here to the great unknown Take my hand, let me stand where no one stands alone  
Take my hand, let me stand where no one stands alone
