

# Never Again

## Fruition

Would have given up my life for you  
Guess it's true what they say about love, It's blind  
Girl, you lied straight to my face lookin' in my eyes  
And I believed you 'cause I loved you more than life  
And all you had to do, was apologize  
You didn't say you're sorry, I don't understand  
You don't care that you hurt me, and now I'm half the man  
That I used to be when it was you and me, you didn't love me enough  
My heart may never mend, and you'll never get to love me again  
No no, no, no, no, no  
Sadness has me at the end of the line  
Helpless watched you break this heart of mine  
And loneliness only wants you back, here with me  
Common sense knows that you're not good enough for me  
And all you had to do was apologize and mean it  
But, you didn't say you're sorry, I don't understand  
You don't care that you hurt me, and now I'm half the man  
That I used to be when it was you and me, you didn't love me enough  
My heart may never mend and you'll never get to love me  
Wish like hell I could go back in time  
Maybe then I could see how  
Forgiveness says that I should give you one more try  
But it's too late, it's over now, ooh  
You didn't say you're sorry, I don't understand  
You don't care that you hurt me, and now I'm half the man  
That I used to be when it was you and me, you didn't love me enough  
My heart may never mend, and you'll never get to love me again, yeah  
Again, yeah yeah  
Again again again  
Yeah yeah yeah  
Never get to love me
