Show me how to get home
Throw me like a stone
Show me how to get home
You love to watch me crawl Home, just get me home, home, home
Stoned, cause I feel so stoned, oh no Went to church one day
Repent my evil ways
I heard a voice call down
His words of wisdom sang Home, just get me home, home, home
Stoned, cause I feel so stoned, oh no Got this feeling inside my head
I'm spinning out of my Ferris wheel red Feels like home, it feels like home...
