Bent Knee

If you love me please fess up and tell me so I know
I'm not alone curled up on top this icy bathroom floor.
If you need me call my name and help me understand
why all I hear are voices in my head.They tell me I'm the guilty one.
They tell me I'm the one done wrong.They tell me I'm the guilty one.
They tell me I'm the one done wrong.I'm suffocating in my haven,
locked inside your iron maiden.
Please won't you just raise your voice?
I need to know I'm worth and ounce of pain.
