Section 28 [Guaranteed Nightlite]

The Polyphonic Spree

Guaranteed nightlite where everybody shines
I wanna try to wake up with you
Social climb hide-out where fantasies run dry
I never wanna face that with youBut you never know when your lover's glow
Has decided to go homeGuaranteed nightlite where everybody finds
A top-top playground, rescue
A factory show-down, the images reviewed
I never wanna face that againBut you never know when your lover's glow
Has decided to go homeRemember the night you said you had a vision
Of all of these wonderful feelings going by
I know that it's right, I know you're on a mission
But all of this good guy wonder goes on
And on, and on, and onGuaranteed nightlite where everybody shines
I wanna try to wake up with you
Social climb hide-out where fantasies run dry
I never wanna face that with youBut you never know when your lover's glow
Has decided to go homeRemember the night you said you had a vision
Of all of these wonderful feelings going by
I know that it's right, I know you make decisions
But all of this good guy wonder goes on
And on, and on, and onAlright, here we are, yeah
