# See the Sun

## Les Gammas

Where's a word
That we love to know
And where's a love
That we shared go
Can you be the one?
Can you see the sun with me?
Hate's a word
That we love to use
And pain is a sign
That is old and abused
Can you be the one?
Can you see the sun with me?
I'm here and I'm never gone
I'm here and I'm never gone
I'm here and I'm never gone
I'm here and I'm never gone
Can you be the one?
Can you see the sun with me?
With me, with me
With me, with me, with me
