

# Somewhere Else Tonight

## Mansions on the Moon

It's late at night, everybody's out  
Doing the same thing  
Taking a look back, putting a foot forward  
Thinking the same thing  
It's late at night, everybody's out  
Doing the same thing  
Taking a look back, putting a foot forward  
Thinking the same thing Do you wanna go SOMEWHERE ELSE TONIGHT?  
Do you wanna go SOMEWHERE ELSE TONIGHT? When we were young, we would run home when the street  
lights come on  
Here and now, now we leave our house and the city lights  
are never burning out  
We don't wanna go home, can we just stay out?  
Cause we can't sleep at night  
The city lights are never burning out Do you wanna go SOMEWHERE ELSE TONIGHT?  
Do you wanna go SOMEWHERE ELSE TONIGHT? When we were young, we would run home when the street  
lights come on  
Here and now, now we leave our house and the city lights  
are never burning out If I knew what I knew now  
When I was only a child  
I think my existence would be different from what it is now  
If I could know what I knew  
When I was only a kid  
I think I could imagine how my life is different than this  
If I could meet myself for a moment in time  
I would tell myself the clock was ticking and stop wasting time  
'Cause we're still thinking on the same page Do you wanna go SOMEWHERE ELSE TONIGHT?  
Do you wanna go SOMEWHERE ELSE TONIGHT? When we were young, we would run home when the street  
lights come on  
Here and now, now we leave our house and the city lights  
never burning out
