Near You

Tammy Wynette

There's just one place for me
Near you
It's like Heaven to be
Near youTimes when we're apart
And I can't face my heart
Say you'll never stay
More than just two lips awayIf my hours could be spent
Near you
I'd be more than content
Near youMake my life worth while
By telling me that I'll
Spend the rest of my days
Near youNear you, near you
Make my life worth while
By telling me that I'll
Spend the rest of my days
Near you
Spend the rest of my days
Near you
