

# Near You

[Tammy Wynette](#)

There's just one place for me  
Near you  
It's like Heaven to be  
Near you Times when we're apart  
And I can't face my heart  
Say you'll never stay  
More than just two lips away If my hours could be spent  
Near you  
I'd be more than content  
Near you Make my life worth while  
By telling me that I'll  
Spend the rest of my days  
Near you Near you, near you  
Make my life worth while  
By telling me that I'll  
Spend the rest of my days  
Near you  
Spend the rest of my days  
Near you
