

'Til Death Do Us Part

Brian Nhira

I never knew
What love could do
To a heart
That is surrendered
I found out the truth
When I met you
Now my heart
Is yours forever
You're the one I wanna dance with
For the rest of my life
You're the one I wanna hold
And never let go
Without you I'd be lonely
Without you I'd be lost
I need you by my side
For the rest of my life
Without you I'd be lonely
Without you I'd be weak
I need your love
Til death do us part
Can this be true
I've found you
The one my heart
Has been longing for
Someone pinch me
Is this just a dream
Oh no, thank God
This is reality
You're the one I wanna dance with
For the rest of my life
You're the one I wanna hold
And never let go
Without you I'd be lonely
Without you I'd be lost
I need you by my side
For the rest of my life
Without you I'd be lonely
Without you I'd be weak
I need your love
Till death do us part
I'm not afraid to admit that
You've become my everything
I'm not afraid to tell you

I fear a future without you
Without you I'd be lonely
Without you I'd be lost
I need you by my side
For the rest of my life
Without you I'd be lonely
Without you I'd be weak
I need your love
Till death do us part
I need your love
Till death do us part
I need your love
Till death do us part
