

Long Gone

The Dead South

Intro I'll be gone, for so long

Don't you come around Got me runnin' all around, Where I am runnin' I won't be found Oh No no no no n Said
you loved me once last time, I ran so fast I blew your mind Oh no no no no Now its time to go find, What I had
on my mind Oh no no no no Sadly it was never you, I'd rather have sex with my shoe Oh no no no no I'll Be
gone, for so long

Don't you come around Followed me right up a tree, n all the way down to Tennessee Oh no no no no

It was time to give it up, so I ran her over with my truck Oh no no no no
