

Away From The Sun (live)

3 Doors Down

It's down to this
I've got to make this life make sense
Can anyone tell what I've done
I miss the life
I miss the colors of the world
Can anyone tell where I am 'Cause now again I found myself so far down
Away from the sun that shines into the darkest place
I'm so far down away from the sun again
Away from the sun again I'm over this
I'm tired of living in the dark
Can anyone see me down here
The feeling's gone
There's nothing left to lift me up
Back into the world I know 'Cause now again I found myself so far down
Away from the sun that shines into the darkest place
I'm so far down away from the sun
That shines to light the way for me
To find my way back into the arms
That care about the ones like me
I'm so far down away from the sun again
Oh no yeah It's down to this
I've got to make this life make sense
Now I can't tell what I've done
Now again I found myself so far down away from the sun
That shines to light the way for me 'Cause now again I found myself so far down
Away from the sun that shines into the darkest place
I'm so far down away from the sun
That shines to light the way for me
To find my way back into the arms
That care about the ones like me
I'm so far down away from the sun again
Oh no yeah
