River (feat. Shawn King)

Tanner Patrick

We've got a lot of things to hide
I could let them out if only you could stay a while
But the weight of all my pride
Calm the waves so you can't even ride them inTake me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to go homeI'm on the path to comprehend
I could tell the truth if you think you could love me then
But the waves roll on for miles
And the fear of sinking
Is keeping you from diving in
Take me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to goTake me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to go home
It's time to go home
It's time to go home
It's time to go home
I'm thinking about the waiting
My eyes have done me
But they just don't
I'm thinking about how I'm thinking out loud now
And you just don't
But they just don't
When words are spoken
I'll take a breath and I'm real
But you just don't

No we just don't
Cause we just don't knowTake me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to goTake me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to goTake me to the river
Take away my sins
Until then I'll do it again
Tell me that I'm crazy
If it doesn't work
But you won't know
Until it's time to go home
