Live To Win

Paul Stanley

Frustrated, degraded, down before you're done
Rejection, depression, can't get what you want
You ask me how I make my way
You ask me everywhere and why
You hang on every word I say
But the truth sounds like a lie[Chorus:]
Live to win, 'till you die, 'till the light dies in your eyes
Live to win, take it all, just keep fighting till you fallObsessive, compulsive, suffocate your mind
Confusion, delusions, kill your dreams in time
You ask me how I took the pain
Crawled up from my lowest low
Step by step and day by day
'Till there's one last breath to go[Chorus:]Day by day, kickin' all the way, I'm not cavin' in
Let another round begin, live to win
Yeah, live, yeah, win[Chorus:]Day by day, kickin' all the way, I'm not cavin' in
Let another round begin, live to win
Live to win
Live to win
Yeah, live, yeah, win
