

Can't We All Dream?

Sikth

Love is in the air
Hate is in the air
Death is in the air Waith, yeah...
Let me think for a moment
About a world with painted paper
And so much cement,
So much cement. So what is it for and meant? Never?
I don't understand why
A fool? Yeah? Oh? I built a ship this afternoon
I plan to sail it up to the moon.
I want to fly, I want to fly,
A fool? Yeah?
I want to fly, I want to fly, I want... Can't we all dream?
Can't we all dream? I want to fly up to the moon then to somewhere new
I want to sail somewhere new. Can't we all dream?
