

Down (from "The Sing-Off")

Nota

Baby, are you down, down, down, down, down?
Down, down
Even if the sky is falling down?
Down, down You oughta know
Tonight is the night to let it go
Put on a show
I wanna see how you lose control So leave it behind
'Cause we have a night to get away
So come on and fly with me
As we make our great escape So baby, don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry Baby, are you down, down, down, down, down?
Down, down
Even if the sky is falling down?
Down, down Just let it be
Come on and bring your body next to me
I'll take you away
Turn this place into our private getaway So leave it behind
'Cause we have a night to get away
So come on and fly with me
As we make our great escape Baby, don't worry
You are my only
You won't be lonely
Even if the sky is falling down
You'll be my only
No need to worry Baby, are you down, down, down, down, down?
Down, down
Even if the sky is fallin' down?
Down, down
Baby, are you down, down..Baby, are you down, down, down, down, down?
(And the sky is falling down)
Down, down
Baby, are you down, down, down, down, down?
(Are you down? Are you down?)
Down, down
Even if the sky is falling down?

(And the sky is falling down)
And the sky is falling down
