

# Now I Know

Rihanna

Hey, now I know Took a chance, rolled the dice on me and you  
Opened up, let you in my world  
Like a dance started slow and then love took control  
Swept away, so proud to be your girl  
And when you write a story much to fast  
Sometimes a happy ending doesn't last Now I know that love ain't meant to be a play thing  
Now I know, it's not an ordinary, everyday thing  
Now I know that when it's right, it's so amazing  
But when it's wrong you gotta let it go, now I know, now I know Remember when we said our love would last  
forever  
But then again, how are we to know?  
There'd come a time that love would change like stormy weather  
A sunny day could suddenly turn cold  
Time will teach you all you need to learn  
But there'll always be a first time you get burned Oh, how I know that love ain't meant to be a play thing  
Now I know, it's not an ordinary, everyday thing  
Now I know, when it's right, it's so amazing  
But when it's wrong you gotta let it go, now I know, now I know Yeah, I don't regret a single day  
The joy and pain along the way  
A broken heart's the price we pay  
As sad as it may seem  
Baby, can't you see it's the way its gotta be? Now I know that love ain't meant to be a play thing  
Now I know, it's not an ordinary, everyday thing  
Now I know that when it's right, it's so amazing  
But when it's wrong you gotta let it go, now I know, now I know Hey, how I know, oh, I know
