Loose

Blake Babies

I took a ride with a pretty music
I went down and, baby, can you tell?
I took a ride with a pretty music
Now I'm putting it to you straight from hellI'll stick it deep inside
I'll stick it deep inside
'Cause I'm looseI feel fine with dancin', baby
I feel fine, I'm gonna' shake it, Lou
I'm real fine with dancin', baby
'Cause it's love, yeah, I do believeI'll stick it deep inside
I'll stick it deep inside
'Cause I'm looseI took a ride, pretty baby
I went down, baby, you can tell
I took a ride, pretty baby
And I'm all, straight from hellAnd I will stick it deep inside
And I'll stick it
'Cause I'm loose'Cause I'm loose
'Cause I'm loose
