That's why I came tonight

I need to see the truth

I need to see the light. I've got my hope set high

That's why I came tonight

I need to see the truth

I need to see the light

And I can do my best

And pray to the father

But the one thing I ought to know by now When it all comes down

When it all comes down

If there's anything good that happens in life

It's from Jesus. You know that when it all comes down

When it all comes down

If there's anything good that happens in life

It's from Jesus. I've got my hope set high

And like a star at night

Out of the deepest dark

It shines the purest light. I've got my hope set high

Beyond the wrong and right

I need to see the truth

I need to see the light.

Cause I can do my best

And pray to the father

But the one thing I ought to know by now When it all comes down

When it all comes down

If there's anything good that happens in life

It's from Jesus. I'll tell you when it all comes down

When it all comes down

If there's anything good that happens in life

It's from Jesus.
