Caldonia

B.B. King

Hey, I'm walking with my woman
She got great big feet
Long, lean and angry
She ain't had nothing to eat
But she's my woman
And I love her just the same
She's a fine looking woman
And Caldonia is her name
Now here we goCaldonia Caldonia
What makes your big head so hard?
I love her
Yeah, I love her just the same
Give me that now
I'm crazy about the woman
'Cause caldonia is her name
Can we do it once more?Caldonia Caldonia
What makes your big head so hard, ohCaldonia Caldonia Caldonia
