Bianca Bonnie

Im the real, im the real mvp
Fuck them bitches you my nigga
I dont give a fuck about them bitches you been with
And i said fuck them bitches you my nigga
Fuck them bitches you my nigga
Im the real, im the real mvp
Im the real, im the real mvp
Im the real, im the real , im the real, mvp
They say savage you say my bitch
They gone hate on me as long as you love it
Riding around up in the winna
Whike you touching my body feels good but we sinning
We been rolling and rolling and not tryna admit it
When i ride it we fucking just switching positions
So fuck all them bitches who been tripping
