## Bianca Bonnie

Im the real, im the real mvp  
Fuck them bitches you my nigga  
I dont give a fuck about them bitches you been with  
And i said fuck them bitches you my nigga  
Fuck them bitches you my nigga  
Im the real, im the real mvp  
Im the real, im the real mvp  
Im the real, im the real , im the real, mvp  
They say savage you say my bitch  
They gone hate on me as long as you love it  
Riding around up in the winna  
Whike you touching my body feels good but we sinning  
We been rolling and rolling and not tryna admit it  
When i ride it we fucking just switching positions  
So fuck all them bitches who been tripping  
Ive been on it you been w it
