Boat Load

Juicy J

Inhale, sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Inhale, inhale, inhale, inhale, inhale, inhale
Inhale, inhale, inhale, inhale, inhale, inhale, inhale
Sour diesel, white widow, kush, by the boat load, let's go
Yeah nigga, yeah nigga, I don't re'd up
Got a fresh boat load of that loud stuff, took a million puffs
Got me high as fuck, man i'm paranoid
I got my forty tucked, smoking and toking lil kushy
Looking for pussy thats gushy, hitting the swishers with bitches
Living enjoying my riches
Niggas can't get with this pimpin, straight born and raised out of Memphis
Blunt to my mouth like a dentist, row one again when i finish ...
Smoking on that medical, high up on a pedestal
Blowing on that green love, feeling so incredible
Smoking get me high, but I be higher off them edibles
Still riding dirty but I'm dodging all the federals
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Inhale, inhale, inhale, inhale, inhale, inhale

Inhale, inhale, inhale, inhale, inhale, inhale, inhale
Sour diesel white little kush, bottle boat, let's go
Yeah bitch, yeah bitch, call me Steve O
I'm a wild boy, fuck a eighth i need o's
28 grams of that loudest pack, matter fact make it a pound of that
Get a couple kids with sour diesel and lemon g that's sour patch
I aint in a gang but my og's kush
Blow that loud, till it makes me shush
23 jays and a red bull, call me Michael Jordan, this that swush, this that swush, this that swush
Yo shit ass, ... thats that tush, this right here is my bag
A purple marijuana go and burn that bush
Everyday christmas eve wit me
Everybody celebrates lighting up the tree
Tell Santa Clause I got special cookies for him when he comes down my chimney

I got munchies here, munchies there, leftover chinease in my frigidier
I'm the iron chef of this munchie shit, smoke everyday fuck the air, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Sour diesel, white widow, kush, by the boat load, inhale
Inhale, inhale, inhale, inhale, inhale, inhale
Inhale, inhale, inhale, inhale, inhale, inhale, inhale
Sour diesel white little kush, bottle boat, let's go.
