

# Roni

## Bobby Brown

The truth about a roni, she's a sweet little girl  
You could treat her right, real nice and hold her tight  
Only tender ronis can give a special love  
A special kind of love that makes you feel good inside  
If you believe in love and all that it can do for you  
Give it a chance, girl, you'll find romance  
And if you find a tender roni that is right for you  
Make it official, give her your love  
My heart  
(Ouh)  
Belongs to a roni  
(She's my only love)  
She's my only love  
(My only heart, baby)  
My heart  
(Yeah)  
Belongs to a roni  
(She's my only love)  
She's my only love  
The truth about a roni, she's always on the phone  
Talking to her homeboy, wishing they were home alone  
She'll send you lovely letters with the smell of sweet perfume  
This is what a real tender roni likes to do for you  
And if you believe in love and all that it can do for you  
Give it a chance, girl, you'll find romance  
And if you find a tender roni that is right for you  
Make it official, give her your love, ooh, yeah  
My heart belongs to a roni  
(She's my only love)  
She's my only love  
(My only heart)  
My heart belongs to a roni  
(She's my only love)  
She's my only love  
The truth about roni, she's a sweet ol' girl  
About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a roni you will never give her up  
She's a special kind of girl that makes her daddy feel proud  
You know the kinda girl that stands out in crowds  
Found a tender roni and the roni is so right  
I think I'm gonna love her for the rest of my life  
If you believe in love and all that it can do for you  
And if you find a tender roni that is right for you  
Make it official, give her your love, ooh, yeah  
My heart belongs to a roni  
(She's my only love)  
She's my only love

(My only heart)  
My heart belongs to a roni  
(She's my only love)  
She's my only loveThe truth about roni, she's a sweet ol' girl  
About the sweetest little girl in the whole wide world  
She'll make the toughest homeboy fall deep in love  
Said once you had a roni you will never give her upShe's a special kind of girl that makes her daddy feel proud  
You know the kinda girl that stands out in crowds  
Found a tender roni and the roni is so right  
I think I'm gonna love her for the rest of my lifeMy heart belongs to a roni  
She's my only love  
(My only heart)
