

# From My Heart to Yours (DJ Premier Version)

Laura Izibor

From my heart to yours  
I would give you butterflies  
From my heart to yours  
I would give you summertime  
From my heart to yours  
Oh, I'd give you happy time  
From my heart to yours  
I give you mine  
Mm, baby I'm never gonna stop loving you (no no baby)  
You will never gonna find my love so true (no don't be crazy)  
Baby can u break it down just for me  
Like this and just understand  
I  
From my heart to yours  
I'll give you my soul  
If this no denying our love is real  
From my heart to yours  
With from my heart to yours  
I would give you everything, everything  
From my heart to yours  
I'd make the bird sing, yeah yeah  
From my heart to yours  
Don't you worry about a thing  
From my heart to yours  
I give you mine  
It doesn't matter where I go or what I see  
You're, you're the only thing that important to me  
With you I belong  
Baby I never felt this good before  
I  
From my heart to yours  
I'll give you my soul  
If theres no denying our love is real  
From my heart to yours  
From me heart to yours  
I (I)  
Need (Need)  
You (You)  
Baby I (I)  
Cannot (Cannot)  
Live with (Live with)  
Out you baby  
I  
Need  
You  
With me  
From my heart to yours  
I'll give you my soul (babe I'll give you my soul)  
If this no denying our love is real  
From my heart to yours

I'll give you my soul (babe I'll give you my soul oh my soul baby)  
If this no denying our love is real (said there's no, said there's no)  
From my heart to yours
